Broadband facilities in Goa

11. SHRI SHANTARAM LAXMAN NAIK: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether Government have prepared a road map for providing Broadband facilities in the eleven talukas of Goa;

(b) the number of talukas/towns provided with this facilities so far;

(c) the number of pending applications, taluka-wise; and

(d) the details of the plans of Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) and (d) Yes, Sir. Presently BSNL is providing the broadband services in 6 talukas. 9,831 connections have been provided with the present capacity of 9,920. Expansion activity is also in progress in all these talukas. Remaining 5 talukas have been planned in the current augmentation plan. This is going to add additional capacity of 20,408 ports.

As part of broadband proliferation in rural areas, BSNL has planned to cover around 131 rural exchanges with broadband. The same will be done in a progressive manner. The details are given in enclosed as Statement-I *(See* below).

(b) The present status with regard to broadband facilities by BSNL in the talukas/towns is given enclosed as Statement-II. *(See* below).

(c) The taluka-wise waiting list is given in enclosed as Statement-III *(See* below).
